

Rubric - Coursework 1.2 Submission of the individual reflective piece

1. PDF was uploaded and is readable.

- No (0 pts)
- Yes (1 pts)

2. Roles and contributions: The division of roles between the team members and the contribution made by each team member.

- This is not addressed. (0 pts)
- Either roles or contributions are described. (1 pts)
- Roles and contributions are described. (2 pts)
- Roles and contributions are described and clearly distinct. Roles are described at a good level of abstraction. (3 pts)

3. Your use of HTML and CSS

-Which aspects of HTML and CSS were you able to use well?

-Which aspects do you still feel you need more practice with?

-Which aspects do you feel are particularly powerful and useful?

- This is not addressed. (0 pts)
- Heading is addressed with relevant material. (1 pts)
- All 3 questions are somewhat addressed, or 2 are addressed to a high standard. (2 pts)
- Answer perceptively addresses all questions. (3 pts)

4. Positive aspects of your teamwork experience

-What aspects of team working were positive for you? (for example, did you learn from other team members? Did being able to pool work from various people create a more comprehensive piece of work than one person could have produced?)

-Highlight the aspects of this experience that you most enjoyed.

- Heading is not addressed. (0 pts)
- Relevant material is present. (1 pts)
- Both questions are addressed. (2 pts)
- Both questions are addressed in a way that shows clear analytic thought. (3 pts)

5. Negative aspects of your teamwork experience

What aspects of team working were challenging for you? (for example, if relevant, the difficulties of communicating across different time zones and maybe even cultures)

Highlight the aspects of this experience that you enjoyed the least.

- This is not addressed. (0 pts)
- Relevant material is present. (1 pts)
- Both questions are addressed. (2 pts)
- Both questions are addressed in a way that shows clear analytic thought. (3 pts)

6. Effects of team work on the quality of the work

-Did you find that the members of the team contributed well?

-Were there problems within the team that may have affected the quality of the work that was submitted by the team? What was the effect?

- This is not addressed. (0 pts)
- Relevant material is present. (1 pts)
- All questions addressed (including the effect of the teamwork, not just the situation that had the effect). (2 pts)
- All questions addressed, with valuable insight into the causes and effects described. (3 pts)

7. Tools you and your team used

-What tools did your team use to help you with your work?

-What tools do you think you should have used but didn't? How would they have helped?

- This is not addressed. (0 pts)
- Relevant material is present. (1 pts)
- Questions are answered, but the list of tools is clearly incomplete, or there isn't enough evaluation. (2 pts)
- All questions are answered, and the tool list covers all the activities of the team. Evaluation is good. (3 pts)

Check word count on the essay matches the stated word count and is between 1350-1650.

- Less than 1200 or more than 1800. (0 pts)
- 1200-1350 or 1650-1800. (1 pts)
- 1350-1650. (2 pts)
